Meadow Hall Foundation, the non-profit arm of the Meadow Hall Group organised this year's annual Founder's day charity event. The annual event is usually focused on various CSR initiatives including reaching out to vulnerable children in public schools. Last year the event featured a Charity walk in the Lekki environs which was geared towards raising funds for the construction of a perimeter fence for Ilasan Primary School (a public school adopted by the Foundation)

This year the Foundation took another step in supporting the children in Ilasan through an event themed "Score a Goal for Ilasan"

The event featured a one-day soccer tournament and Zumba session for Mums and daughters. It was a fun-filled day as the children took on their dads in a keenly contested football match. After lots of substitutions and tactical changes the Dads won the match by 2-1. The Meadow Hall Staff team also defeated the School team in another fixture.

The fun was not restricted to the men as the Zumba dance fitness session for the women was also very thrilling and engaging. All funds raised from the event will be used to further improve the learning environment in Ilasan Primary School.

The Baale of Ilasan and his wife, Alhaji & Mrs. Afolabi and other representatives from the State Education Board were present at the event. Gift packs were also distributed to the children.

In a later event the fence project was dedicated by Mrs Kehinde Nwani, GMD/CEO MeadowHall Group.

We look forward to more charity events and opportunities to make a difference in the lives of others as Sydney Smith quipped, "It is the greatest of all mistakes to do nothing because you can only do little – do what you can."
